LEGISLATIVE ASSEMBLY

PRIVATE BILLS

Excerpt From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session,

- (a) a printed copy of such Bill;
- (b) a copy of the petition to be presented to the House;
- (c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills or Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, 26 ems by 50 ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

In the case of Bills to incorporate companies, in addition to the fee of \$300 mentioned in Rule 98, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

All cheques in payment of fees must be certified.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PE-3369, PURSUANT TO SEC. 6 OF POLLUTION CONTROL ACT, 1967

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Pacific Rim Aggregates Limited, of 2215 Commissioner Street, Vancouver, B.C., hereby applies for amendment to Appendix (1) of Permit PE-3369, issued on July 24, 1975, in favour of Pacific Rim Aggregates Ltd.

To authorize additional or other works than those previously authorized by deleting that part of section (a) of the appen-

dix which reads "from a gravel washing plant to a settling pond with supernatant recycle and no positive discharge" and substituting in its place the following: "from a gravel washing plant to settling ponds with supernatant recycle and a positive discharge."

To change the quality of the effluent/contaminant by deleting that part of section (c) of the appendix which reads "typical gravel wash water" and substituting in its place the following: "pH units 6.5-8.5; total suspended solids less than 50 mg/l."

To increase the "quantity to be discharged" by deleting that part of section (b) of the appendix which reads "a maximum of 159,000 imperial gallons a day" and substituting in its place the following "a maximum of 1,160,000 imperial gallons a 16-hour day."

I, M. B. Phelan, Assistant Secretary-Treasurer, hereby certify that a copy of this application has been received by the Sunshine Coast Regional District.

This application, dated on the 8th day of November 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

Preamble—This system is based on extended aeration with contact stabilization. The treated sewage will be discharged into the mill effluent from the clarifier overflow. This new system, which has been installed by other companies for discharge into the Fraser River, was chosen to replace an existing septic tank and drain field which has been used for the past 15 years. The present system is no longer suitable due to its age, and also, due to the expansion of Belkin Paperboard Ltd.

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Belkin Paperboard, a Division of Belkin Packaging Ltd., of 8255 Wiggins Street, Burnaby, B.C., hereby applies to the Director for a permit to discharge effluent from a board mill located at the foot of Wiggins Street into the North Arm of the Fraser River which flows westerly and discharges into the Strait of Georgia, and gives notice of application to all persons affected.

The land upon which the works are located is Lot 48 of District Lot 167, Group I, NWD, Plan 48061 (formerly a portion of Belkin Paperboard, a Division of Belkin Packaging Ltd.).

The discharge shall be located at the mill outfall, 800 feet downstream from foot of Wiggins Street.

The quantity of effluent to be discharged is as follows: Average annual daily discharge (based on operating period), 4,450 imperial gallons. Maximum daily discharge, 4,575 imperial gallons.

The operating period during which the effluent will be discharged is intermittently during seven days a week, operating period.

The characteristics of the effluent discharged shall be equivalent to or better than total suspended solids, 60 mg/l, total solids, 80 mg/l; BOD 45 mg/l; pH range, 6.8–7.2; temperature, 13–24°C.

The type of treatment to be applied to the effluent before discharge is sewage from surge or holding-tank into N.P.S. Aerobic Batch Sewage Treatment System, Model MP. 50, extended aeration with contact stabilization. To be discharged into mill effluent.

I, R. J. Hannon, Registrar, hereby certify that a copy of this application has been received by the Greater Vancouver Regional District.

This application, dated on the 4th day of November 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Refuse)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify

may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

McPhee Holdings Ltd., of 610 Arderton Avenue, Courtenay, B.C. V9N 2H3, hereby applies to the Director for a permit to discharge refuse from Field Sawmills Ltd. located at 1695 Comox Road, Courtenay, and gives notice of application to all persons affected.

The refuse-disposal site shall be located at Lot 224, Lot A, Comox District, Plan A16947, Wilkinson Road, which is approximately 6 miles from the City of Courtenay (area known as Little River District).

The type of refuse to be discharged shall be tree bark.

The quantity of refuse to be discharged shall be as follows: Average daily discharge (based on operating period), 200 cubic yards a day.

The operating period during which the refuse will be discharged shall be 16 hours a day, five days a week.

The nature or characteristics (in per cent by weight) of the refuse to be discharged is estimated to be bark, 80 per cent; ground wood, 20 per cent.

The type of treatment to be applied to the refuse is compaction every 2 feet and covering every 8 feet with soil which will support seeding and vegetation.

I, J. E. Hiebert, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Regional District of Comox-Strathcona.

This application, dated on the 30th day of October 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR AMENDMENT
OF POLLUTION CONTROL PER-
MIT PA-2524, PURSUANT TO
SEC. 6 OF POLLUTION CON-
TROL ACT, 1967

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (3) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Balco Industries Ltd., of RR 3, Kamloops, B.C., hereby applies for amendment of Permit PA-2524, issued on December 20, 1973, in favour of Balco Industries Ltd.

To increase the "quantity to be discharged" by adding to the permit "a natural gas fired veneer dryer (9 vents) with a discharge of 135,800 SCFM for 24-hour duration. Discharge comprises 9,800 SCFM of combustion products from natural gas firing and 126,000 SCFM from air cooling of dry veneer."

I, J. P. Logelin, Secretary-Treasurer, hereby certify that a copy of this application has been received by the Thompson-Nicola Regional District.

This application, dated on the 27th day of October 1976, was posted on the ground in accordance with the Pollution Control Regulations.

APPLICATION FOR PERMIT UNDER POLLUTION CONTROL ACT, 1967 (Effluent)

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) of the *Pollution Control Act, 1967* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

I, Central Valley Engineering Services Ltd., of Abbotsford, on behalf of our client, Del-Van Construction Ltd., of 86 Courtney Crescent, New Westminster, B.C., hereby apply to the Director for a permit to discharge effluent from a mobile home park located at Langley into a seepage bed.

The land upon which the works are located is Lot 2 of Legal Subdivision 15, Section 15, Township 7, Plan 24042 (except part subdivided by Plan 31086), NWD.

The discharge shall be located on the site.

The quantity of effluent to be discharged is as follows: Maximum daily discharge, 30,000 gallons.

The operating period during which the effluent will be discharged is 24 hours a day.

The characteristics of the effluent discharged shall be equivalent to or better than total suspended solids, 60, total solids, 260; BOD, 45; pH range, 6.8-7.2; temperature range, 55°F; treatment before discharge is comminution and extended aeration, with contact stabilization and final clarification.

I, B. D. Jamieson, Administrator, hereby certify that a copy of this application has been received by the Central Fraser Valley Regional District.

This application, dated on the 21st day of October 1976, was posted on the ground in accordance with the Pollution Control Regulations.
